# GOVERNMENT POLYTECHNIC PUNE

(An Autonomous Institute of Government of Maharashtra)

T OF INFORMATION**ionsconducted in the event:**

E-Magazine:

IT department is proudly presenting E-Magazine 2021-22. We received a huge response from students from all years. The E-Magazine

comprises of <u>various technical articles, poems, sketches,& photographs</u> from students.

Purpose behind the event was to inspire students for participating in extra-curricular activities and to enhance their hobbies and expand their imagination and skills. And hopefully the event achieved a great response and it resulted into this year's **E-Magazine – "Mind-Splash 2.0"**

1. **Article Section:**

Students submitted various articles based on latest technologies. Articles section received a great response from all students.

2. **Poetry Section:**

Poetry section was full of creative poems written by students. This section allowed the students to express themselves through creative writing.

3. **Arts Section:**

Arts section comprises of various sketches and paintings submitted by students to show their hobbies and artistic skills.

4. **Photography section:**

This section was to show the photography skills and clicksby students. It received a great response more than any other section.

5. **Achievements Section:**

This section was to showcase the achievements of students who have endless thirst for knowledge.

We conducted two more activities in this event: Flex Creation and Quiz Competition.

Flex Creation Activity:

The Flex making activity was conducted in two parts:

- Flex Making of Scientists

Quiz Competition:

Three quiz competitions were held for the students to test their knowledge in the field of IT

a) HTML Quiz
b) Computer Fundamentals Quiz
c) C Programming Quiz

Instructions for Quiz:

➢ Competition will be held using Google forms
➢ 15 questions will be provided for 1 points for each question
➢ Link was provided on the day of event

➢ 10 min was given for the quiz.

The quiz was held through Google Forms. The response from students was great.

Judging criteria for quiz:

Top 2 scorers with minimum response time were selected from each quiz and declared as winners.

1. HTML Quiz:

2. Computer Fundamentals Quiz:

3. C Programming Quiz:

Quiz Responses:

Sr. No	Quiz Name	No. of responses
1	HTML	58
2	Computer Fundamentals	63
3	C Programming	91

Quiz Winners:

Quiz Name	Winners	Enrollment Number	Year
HTML Basics	1. Devang Gentyal	2107010	FYIT
	2. Vaibhavi Kolhe	2007030	SYIT
Computer Fundamentals	1. Afrin Shaikh	1907056	TYIT
	2. Sai Nimbalkar	2107052	FYIT
C Programming	1. Vaibhavi Kolhe	2007030	SYIT
	2. Sakshi Patil	1907049	TYIT
