# Department of Dress Designing and Garment Manufacturing

Dear Readers,

Welcome to the Latest Issue of the Dress Designing and Garment Manufacturing Department Newsletter. It is our great pleasure to present the latest edition of the Dress Designing and Garment Manufacturing Department Newsletter at Government Polytechnic Pune. In this issue, we highlight the activities and achievements of our talented students, faculty, and alumni from the past semester.

We extend our heartfelt gratitude to everyone who contributed to this publication. Their passion and dedication are truly reflected in the stories shared, and they continue to inspire the success and growth of our department.

As you explore this newsletter, we hope it sparks further enthusiasm and collaboration within our vibrant community. Thank you for your ongoing support and commitment.

Warm regards,

The Editorial Team

## Principal's Desk

**Dr. Rajendra K. Patil**  
**Principal**

Government Polytechnic, Pune established in 1957 is one of the oldest Polytechnic in India and located at Shivajinagar in the heart of Pune city. Considered as India's one of the leading autonomous Polytechnics, we aim at providing skill-based Diploma Education to students through state-of-art curriculum designed in co-ordination with industry. It is framed with a view of transforming students, who could be of tremendous help in making meaningful contributions to industries, community and rural development as well as inculcating a spirit of self-employment through all round training and skill development courses.

Government Polytechnic, Pune has a wealth of talent and knowledge with qualified faculty and high merit students. Equipped with good physical facilities in the form of buildings, lecture halls, laboratories, workshops, hostels etc. With skilled technicians and craftsman for adoption of appropriate technologies, we consistently adapt to the changing needs through continuous up gradation of all our resources. My organization, is committed towards imparting education which as defined by Swami Vivekananda says "Education should be man-making, life giving and character building".

## HOD's Desk

**Mr. Sunildatta S. Prabhune**  
**Head of Department**

Government Polytechnic, Pune is a recognised Government Autonomous Institute and only Polytechnic in Pune city, offering 3 years Diploma Course in Dress Designing and Garment Manufacturing. Autonomy offers an opportunity for us to revisit and revise our course under guidance of distinguished industry leaders and Academia from the fashion world. These course discussions are conducted twice a year to ensure the course stays up to date with latest Dress Designing and manufacturing practices. The institution offers best infrastructure in terms of lab, software and library facilities.

The department is well staffed by six lecturers to offer right education and support to our students. The department with the help of institution's training and placement cell offers opportunities through industry tie ups for career opportunities also advises students on career progression. The department facilitates internships, external trainings, and co-curricular activities to develop required skills and capabilities for our students. We are committed to provide quality education in Garment Technology in line with the vision of Government of Maharashtra.

## Closing Thoughts

As we finish this edition of our newsletter, we want to sincerely thank everyone in the Dress Designing and Garment Manufacturing Department at Government Polytechnic Pune.

To our students, your enthusiasm, creativity, and dedication to learning inspire us every day. Your curiosity encourages us to design engaging and meaningful learning experiences, and we're grateful for the energy you bring to our community. We also want to thank our alumni, whose continued involvement and helpful advice make a big difference.

To our hardworking faculty and staff, thank you for your support and guidance in helping shape the leaders of the future. You always go the extra mile to create an environment where students can succeed and grow, both in their studies and as individuals.

Finally, we want to give a big thank you to our industry partners and families. Your support, whether through workshops, hands-on learning, or kind words of encouragement, strengthens our foundation and helps us grow.
